

SKETCHES OF RURAL CIVILISATION

Whitespace Gallery presents "Fundamentals of Living", which showcases a collection of uncomplicated sketches by art professor Tanupon En-on from Mahasarakham University, who catalogues the essentials of Thai/Isan rural civilisation in search of primordial purity and wisdom.

Farming tools, weather changes, plant and animal life, Buddhist iconography and touches of mysticism mingle to create a unified vision of the village microcosm.

Fundamentals of Living

will be on show at Whitespace Gallery tomorrow until May 30.

The gallery is located on the 2nd floor of Lido Bldg, Siam Square Soi 3 and opens every Mon-Fri from 10am-6pm. Call 02-252-2900 ext 315.
